Sample Fundraising Letter: Educational Foundation Donation

Want to make sure that your school, or your child's school, will have access to funds for many years to come? Consider getting involved in establishing and raising funds for an educational foundation to benefit the institution. All you need to get started is a list of potential donors and a well-written fundraising letter.

Sample Youth Group Trip Donation Request Fundraising Letter

Dear [Recipient's Name]:

As you know, technology is changing quite rapidly. This means that our schools are frequently in need of new computers, software applications, and other tools necessary to make sure our children have access to the highest possible standards of education. There will always be a need to invest in new technology for our schools and students.

That's why I'm working on establishing the [name] Education Foundation. With the help of a solid educational foundation, our local schools will be ensured access to the funds they need to provide students with modern equipment and top notch training materials.

Won't you consider making a commitment to helping establish and build the [name] Education Foundation? Your initial donation will provide a strong start for the foundation, and gifts in subsequent years will lay the groundwork for

funding opportunities for education in our community for the youth of today and tomorrow.

Please give serious thought to contributing to the [name] Education Foundation. All funds contributed to the foundation will be used to support education right here in our community. You may pledge your support using the enclosed reply card, or you may post your donation commitment via the foundation's website, which can be found at [web address]. Thank you in advance for your consideration and support.

Sincerely,

[Name]

Member, [Name of Organisation]
[Name of School]
