Sample Fundraising Letter: Volunteer Thank You Letter

Is your fundraising campaign coming to a close? Don't focus so much on the bottom line that you forget to say thank you to the individuals who gave generously of their time to make the event a success. Your organisation wouldn't be able to raise funds or provide services as effectively without the efforts of individuals who give generously of their time. Make sure your volunteers know that you appreciate their efforts, and that you recognize that their gifts of time and energy are every bit as valuable as financial support.
